VICTOR ROBERTS.

Annual Report of the Committee of Management for the Year 1945.

In presenting the Fifty-First Annual Report and Statement of Accounts, the Committee of Management desire to extend to all those who have contributed in any way towards the welfare of the Hospital, their very sincere thanks. It is necessary, however, to remind all our subscribers and the public generally that the Hospital is still in urgent need of help to uphold the high standard of efficiency which has been maintained for so many years, and to meet the additional demands created during and since the war.

OBITUARY.

It is with deep regret that the Committee record the loss, through death, during the year of greatly valued friends and supporters in Alderman E. R. Blackman, J.P., Mayor of Dartford, member of the Management Committee, and Mr. L. Fuller, Trustee. Both rendered loyal service over a long period of years, and always took a deep interest in the welfare of the Hospital. The Committee desire to pay tribute to the memory of these gentlemen.

REPORT ABRIDGED FOR ECONOMY.

It will be appreciated that, owing to the continued need for economy in paper and printing, the Report must again be curtailed. Illustrations and certain usual features are therefore omitted.

VICTORY YEAR.

In this year of total victory, during which the physical dangers which beset our people have passed away, the Management Committee desire to record with special pride the part played by the Hospital, and refer with gratitude to the loyal service rendered by the citizens of Dartford and District through all the trials and dangers of the past six years. The end of hostilities, unfortunately, does not mean the end of problems and difficulties nor, for everyone, the end of suffering. Infinite patience, and the continuance of the spirit of sacrifice which was shown during the war will be required as we go forward to solve the problems war has left behind.

NATIONAL HEALTH SERVICE.

The Government has produced its plan for setting up a National Health Service. No scheme of peace-time reconstruction would be worth considering which fails to make the best possible provision for the physical well-being of the people. The new proposals have been awaited with eagerness and with some apprehension.

There is much in the proposals that will provoke criticism and opposition. There is much that remains to be amplified and explained, and in its various stages through Parliament this historic measure will probably undergo many changes, especially in relation to voluntary Hospitals. Nevertheless, your Committee's first impressions are that the plan is conceived on broad, imaginative lines, and designed fundamentally to co-ordinate efforts to establish a high standard of health, and the joy of living that goes with it.

Few countries can boast a better health service than the one which in Britain has been built up over the years by private, public and voluntary enterprise. The greatest defect, to which we have referred in previous

reports, has been lack of co-operation between voluntary Hospitals and those provided and maintained by county and municipal authorities. Your Committee have felt for some time that if this idea of partnership follows the traditional lines which, in this country, we have come to cherish—the line of evolution rather than revolution—the ultimate accomplishment of the fully integrated health service will develop steadily rather than rapidly. For years now we have been moving slowly but surely towards the goal of an all-embracing system, and the regional and other organisations created during the war have done much to hasten this movement.

In support of a co-ordinated scheme for all Hospital services, the British Hospitals Association has, for a long time, favoured a plan for the establishment of regional councils, and there can be no question of our willingness to co-operate and to give energetic support to the efforts now made by the Association.

WORK DONE.

The number of patients treated during the year is the highest on record, and is a striking indication of the increasing value of the Hospital to residents in Dartford and District. The statistical information, giving details of the work performed in the departments, which appears elsewhere in this Report, shows that the year has been one of outstanding progress.

The following figures as to patients treated speak for themselves, but attention is directed to the figures for in-patients, namely 1,303, as compared with 1,199 for the previous year; and for operations, 995 as compared with 621.

With the development of Housing Schemes, resumption of the Thames Tunnel Scheme, and opportunities for Industrial and Factory development, there seems to be little doubt that the population of Dartford and District is likely to grow during the next few years. Correspondingly increased demands can therefore be expected on all departments of the Hospital, and it becomes clear that even greater efforts must be made to extend its accommodation and capabilities. Great progress has been made during the past few years, but much remains to be done if the needs of the community are to be adequately met and provision made for peace-time reconstruction.

The figures for the year 1945, together with the corresponding figures for the past four years, are as follows:

In-Patients:	1945	1944	1943	1942	1941
Medical ...	173	290	262	230	205
Surgical ...	829	585	728	686	573

	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
Operations ...	995	621	741	814	742

The average number of beds occupied was 35.4 as against 37.65 for 1944. The average weekly cost per occupied bed was £5 14s. 11d. as compared with £5 9s. 7d. for the previous year.

Out-Patients.

The following table shows the number of Out-Patients treated during the year, and also the figures for previous years:

	1945	1944	1943	1942	1941
X-Ray ...	1172	1110	977	872	832

Treatments ... (Clinic)	10703	6161	8481	6847	6625

There is cause for much encouragement in the knowledge that it has once more been possible for the Hospital to restore or improve the health of so large a number of persons.

FINANCE.

It would be difficult to face with confidence the demands of the next year or two, were it not for the moral support provided by the experience of the last few years. Income has regularly shown encouraging increases, and the year 1945 in no way falls short of its predecessors in that respect. The Committee of Management would here record its gratitude to the people of Dartford and District for the support consistently given to their Hospital. The increasing demands make it abundantly clear that more Annual Subscribers are needed if progress is to be maintained. The Committee therefore appeal to residents in the Borough and in the area served by the Hospital, to become subscribers, no matter how small may be the amount of their subscription. A list of present subscribers is contained on page 19. It will be observed that many of these have entered into Deeds of Covenant, whereby the Hospital is enabled to recover Income Tax on the amount of the subscription without inconvenience to the subscriber. Details of this scheme are shown on page 24, and the Committee invite the special attention of all subscribers to this method of augmenting the Hospital income.

The following summary shows the sources from which income for the past year has been derived, with the corresponding totals of previous years for comparison :

	£11,259	12	7	£11,236	9	3	£12,176	11	9

The total expenditure amounted to £11,006 14s. 1d., which is an increase of £226 17s. 4d. over the expenditure for the previous year. This increase is attributable to the Committee's complete acceptance of the Rushcliffe and Hetherington Reports, and to the normal development of the work of the Hospital.

The following table shows the expenditure for the past three years :

COMMITTEE OF MANAGEMENT.

Members of the Committee who retire by rotation at the Annual Meeting are :

Miss E. Gray.	Mr. R. J. Morphew.
Mr. J. Jarvis.	Mr. E. Moore.
Mr. W. Lowe.	Mr. J. A. Rowe.
Mr. E. T. Mills.	Mr. J. T. Warren, J.P.

who, being eligible, offer themselves for re-election.

HON. MEDICAL STAFF.

Cordial and grateful thanks are offered to the Honorary Medical Staff for their services, which have greatly enhanced the reputation of the Hospital. The Committee are indebted to Dr. T. Morgan for work performed during his year of office as Medical Superintendent, and take the opportunity of congratulating Dr. T. O. Mason on his appointment to the position for the current year. The Committee also wish to mark their recognition of the valuable services rendered by Mr. Meyrick-Thomas, F.R.C.S., Consulting Surgeon, Mr. Malcolm Donaldson, F.R.C.S., Consulting Gynæcologist, Mr. A. B. Alexander, M.D., D.P.M., Consulting Aurist, Dr. Gilpin, M.D., F.R.C.P., Consulting Physician, Dr. J. H. Watkin, M.D., D.P.H., Consulting Neurologist, and Dr. J. P. Bracken. The Management Committee have had special pleasure in welcoming the return from His Majesty's Forces of Dr. G. R. Ford, Dr. T. O. Mason, and Dr. M. J. Lindsey.

RETIREMENTS.

Towards the close of the year a large and representative gathering in the Nurses' Recreation Room paid tribute to Miss Janet S. Anderson, Matron, to whom a presentation was made on her retirement at the conclusion of fifteen years' service. The presentation consisted of a silver

salver and a cheque. The salver, of Georgian design and make, was inscribed :

“ Presented to Miss J. S. Anderson on her retirement as Matron of the Livingstone Hospital, Dartford, by the Nursing and Domestic Staff, members of the Medical Staff, members of the Management Committee, and other friends, as a mark of esteem and appreciation for fifteen years' devoted duty and service.”

After many years of loyal, devoted service as member of the Medical Staff, and for some time as Medical Superintendent, Dr. M. F. E. Walker recently returned to his native home in Australia. His assistance to the patients, Staff, Committee, and the Hospital generally is recalled with gratitude. The Management Committee's best wishes have been passed to Dr. Walker and Miss Anderson, both of whom will always be remembered with esteem and affection.

APPOINTMENTS.

Miss B. O'Dwyer-Thomas, who has been appointed to succeed Miss Anderson, brings to her duties wide experience of hospital work and administration, both in this country and with the Forces during the war in France, Egypt, Italy and Greece. While serving in the Middle East, Miss O'Dwyer-Thomas was mentioned in dispatches, and for her work in Italy was awarded the Order of the Royal Red Cross.

Mr. S. E. Birdsall, F.R.C.S., has been appointed Consultant to the Ear, Nose and Throat Department, and Mr. J. S. Batchelor, F.R.C.S., Consultant and Orthopædic Surgeon.

Mr. H. W. Payne, who has been associated with the Hospital since its foundation, has been elected Trustee, and Mr. F. Langan, Mr. J. C. W. Stead, Mr. T. Swift, Vice-Presidents.

HOSPITAL STAFF.

The Committee wish to express their gratitude to the Matron and her Staff for their loyal and efficient services. Many voluntary helpers, including members of the Red Cross, St. John Ambulance and Nursing Divisions have given valuable assistance during the year. The Committee feel that their appreciation of this assistance will be shared by all those who have needed the services of the Hospital.

LINEN LEAGUE AND SEWING CIRCLE.

The numerous requirements in the way of articles of linen, garments, and other necessities for the comfort of the patients have been met by the zeal of the ladies of the Linen League and the Sewing Circle. The benefit to the Hospital of the devoted efforts of this splendid band of workers can best be realised by the fact that the ladies of this circle have supplied and repaired the whole of the Hospital linen for many years. The Sewing Circle, under Mrs. G. M. Look, meeting each week, has maintained the fine standard of service of previous years. The Management Committee wish to place on record their grateful appreciation, and to convey their sincere thanks to Miss Fleet, President, Mrs. Look, Organiser, Miss Webster, Treasurer, Mrs. Norris, Secretary, and members for all they are doing towards the welfare of the Hospital.

GENERAL.

The opportunity is taken once again to thank all those who have interested themselves in the work of the Hospital, and to acknowledge

gratefully the help of Subscribers and Donors, Works Collection Committees, British, American, and Canadian Red Cross, Ministry of Health, British Hospitals Association, Kent Area Committee, Religious Bodies, Schools, and all friends who have given tangible proof, by generous contribution and personal service, of their goodwill and sympathy. The Committee desire to place on record their appreciation of the manner in which they have been met during the year by the Kent County Council, the County Hospital and the Borough Council, and refer with satisfaction and pleasure to the close collaboration which has developed on many health and hospital matters.

The Report would be incomplete without grateful reference to the outstanding help forthcoming from the Directors and Editor of the Dartford Chronicle. The Committee offer their thanks and appreciation for the assistance accorded during the past years, and for the announcements made from time to time in the editorial columns.

Finally, to Mr. G. H. Ritchie, the Honorary Treasurer, to Messrs. Baily & Goff, Solicitors, and to Messrs. Wood Willey & Co., Auditors, for the efficient discharge of duties of fundamental importance.

CONCLUSION

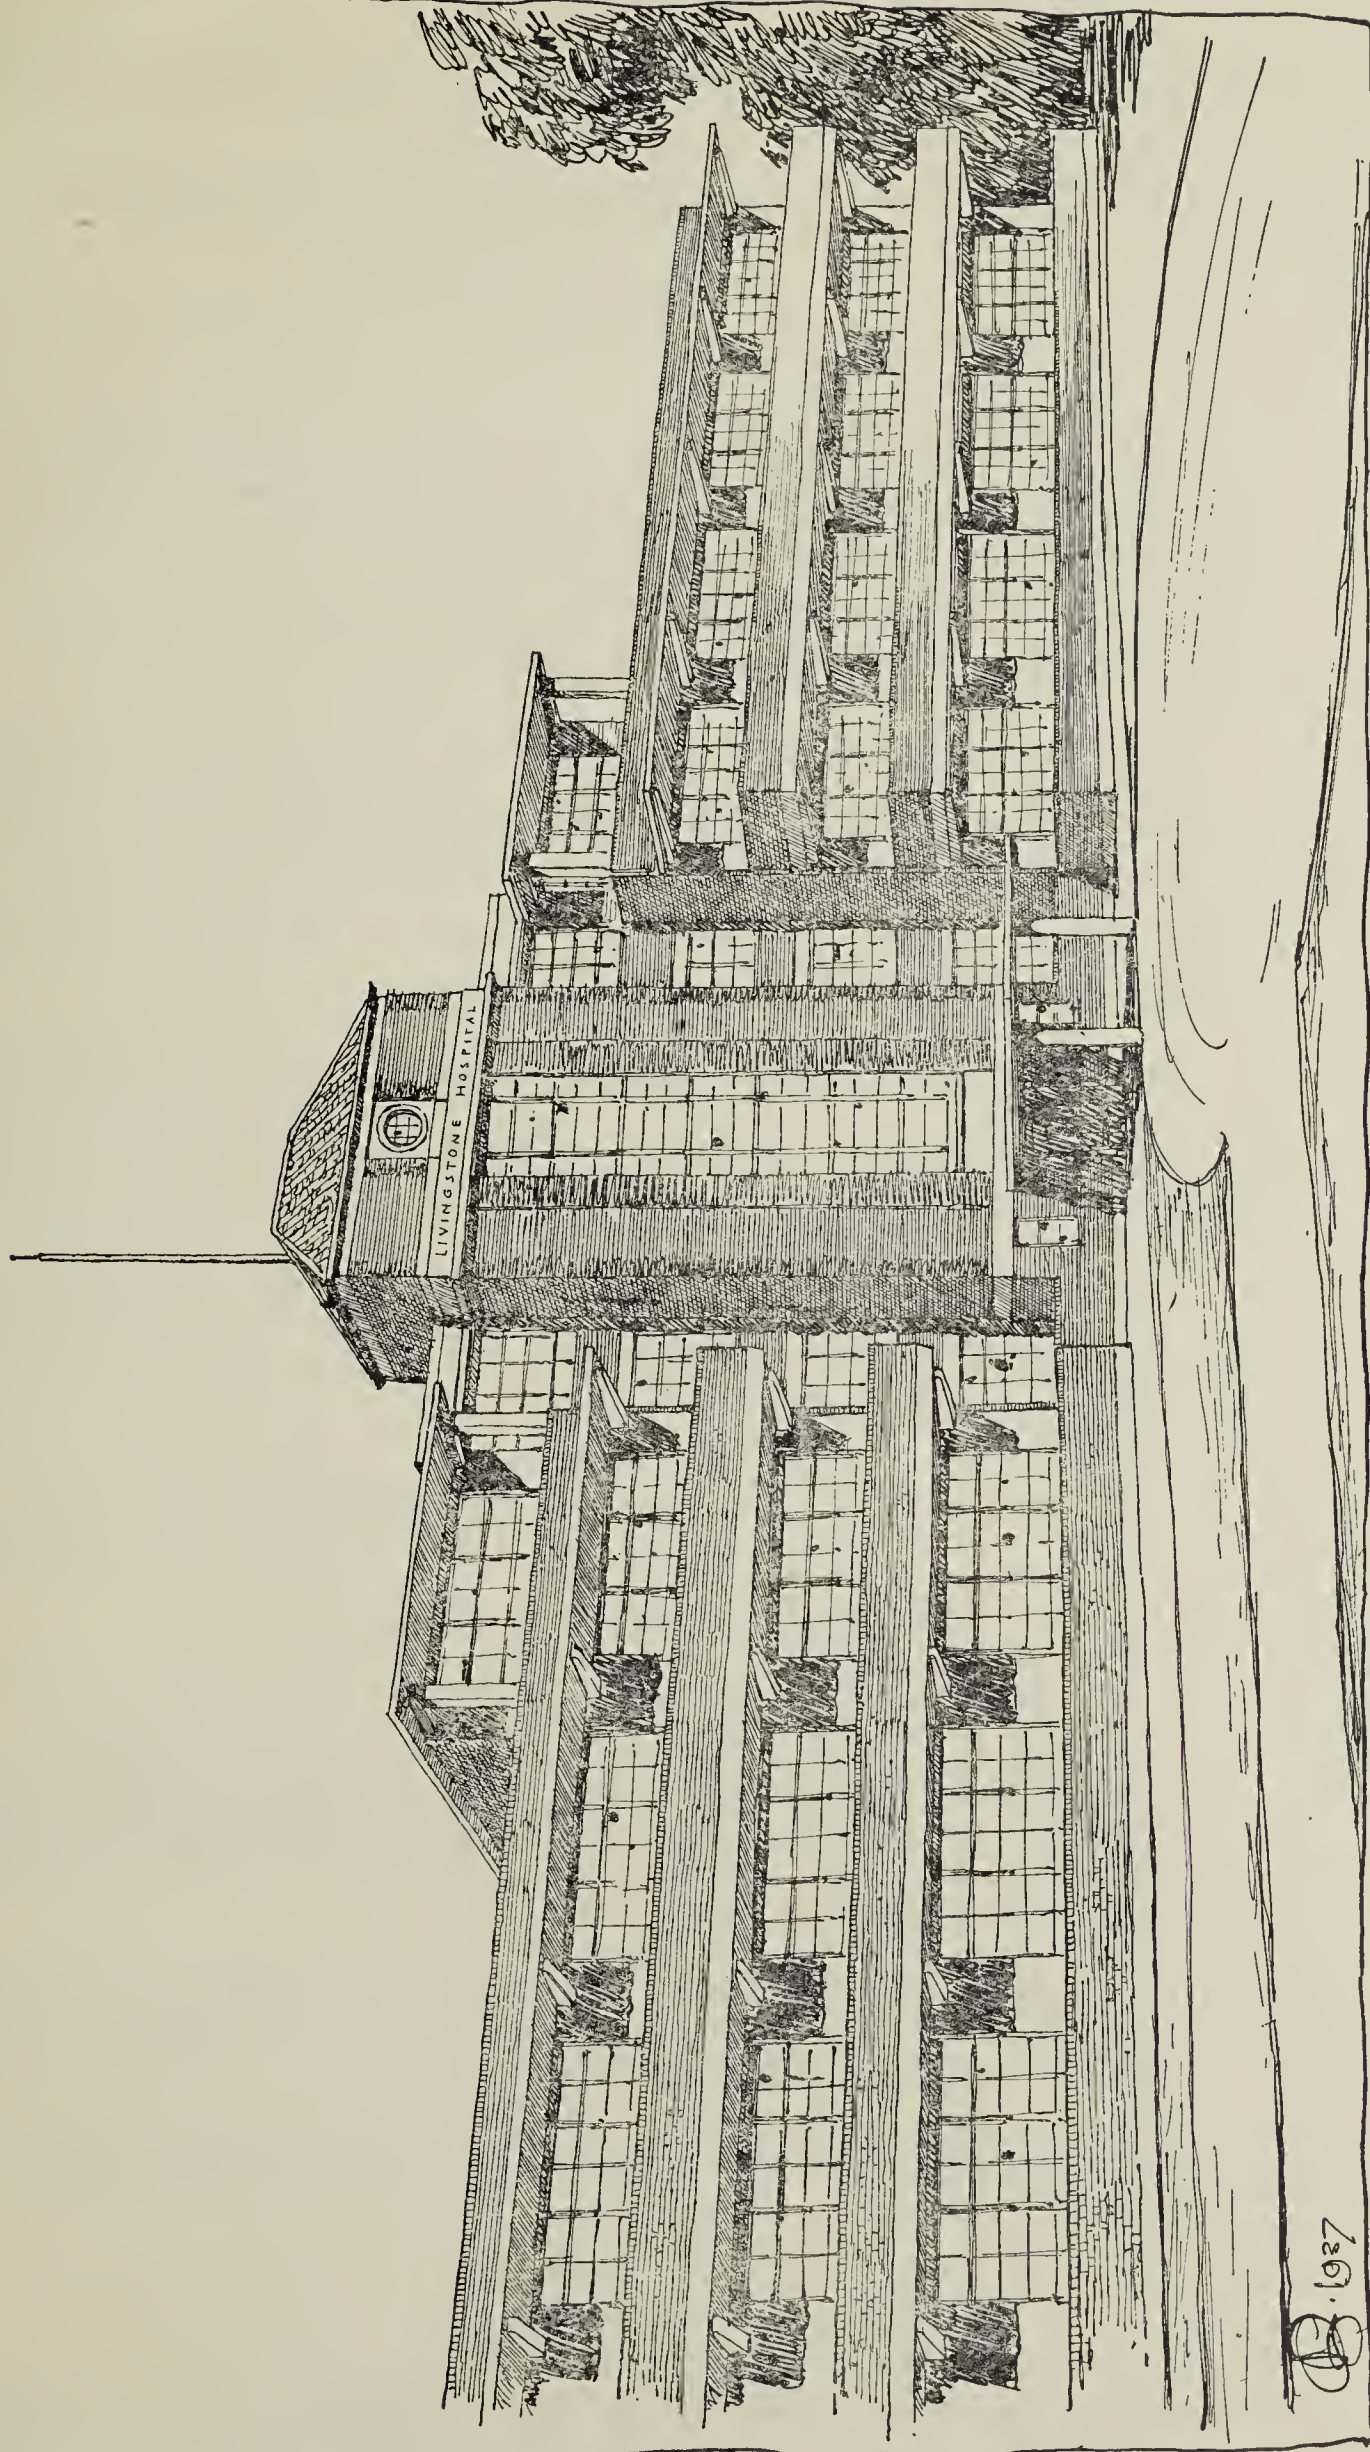

Subscribers and those interested are cordially invited to arrange with the Matron or Secretary to visit the wards and departments so that they may have an opportunity of seeing the Hospital at work, and gain some knowledge of its many activities.

In conclusion, may I, as President, tender my personal and sincere thanks to all who have in any way rendered service during the year, and once more I make an earnest appeal for continued support in order to enable us to carry on the good work that has been of so much benefit to the inhabitants of the Borough and the district served by the Hospital.

On behalf of the Committee of Management,

V. a. Patterson

President.

THE LIVINGSTONE HOSPITAL, SOUTH VIEW, PROPOSED FULLY DEVELOPED SCHEME.

1937

MEDICAL SUPERINTENDENT'S REPORT.

The facilities provided for the treatment of patients have been extensively utilised in all departments during the year. The number of patients treated exceeded those of any year in the history of the Hospital. Whatever lies ahead, I have every confidence that the Livingstone will develop and continue to give the best service to all those who seek its help.

The Maternity Home, which was opened by H.R.H. The Duchess of Kent in 1938, is proving a great boon to the womenfolk of the Borough and District served by the Hospital. With excellent opportunities for extensions in ideal surroundings, the need for increased accommodation justifies consideration when conditions permit.

The Hon. Medical Staff place on record their appreciation of the work done by the Matron, Sister-Tutor and Nursing Staff—their whole-hearted and loyal co-operation being an important factor in the success of the work.

Finally, I should like to thank the President, Consulting Specialists and all members of the Medical Staff for the support given during my term of office.

T. MORGAN,

Hon. Medical Superintendent.

Subscribers and friends of the Hospital, either in the Borough or Districts served by the Hospital, willing to assist in obtaining new Annual Subscribers, are invited to communicate with the General Committee through the Secretary.

Subscriptions and Donations will be thankfully received by the Treasurer at Martins Bank Ltd., Dartford; by the President or Members of the General Committee through the Secretary.

NEW SUBSCRIPTIONS AND DONATIONS ARE URGENTLY NEEDED!

PLEASE PASS THIS REPORT ON TO A FRIEND AND SO INCREASE
THE INTEREST IN THE GREAT WORK OF THE HOSPITAL

We have examined the above Balance Sheet and the accompanying Income and Expenditure Account with the Books and Vouchers of the Hospital, and in our opinion they are properly drawn up so as to exhibit a true and correct view of the affairs of the Hospital as shown in the Books. To the best of our knowledge and belief the rules of the Revised Uniform System have been followed, except that the cost of demolishing the blast walls, £58 14s. 0d. has been charged to Income and Expenditure Account.

IMPORTANT !

HOW TO INCREASE YOUR ANNUAL SUBSCRIPTION WITHOUT COST TO YOURSELF

Annual Subscribers can increase the value of their subscriptions, at no cost to themselves, by signing an agreement to subscribe annually (The agreement is terminable at death).

All that is required is the subscriber's signature to the form of agreement on page 24 and a certificate signed annually ; the Hospital authorities will do the rest.

By this method, at the present rate of Income Tax, the Hospital recovers £1 for every pound subscribed. If all the present subscribers adopted this scheme, the Hospital would recover a substantial sum from the Inland Revenue, and it would not cost a single subscriber a penny more than his usual subscription, provided his subscription is paid out of unearned income.

The Hon. Treasurer and the Secretary will be glad to receive Agreements from Subscribers, which should be completed before the first payment is made.

A Banker's Order Form is also provided to save the Subscribers further trouble.

*"The charities that soothe,
and heal, and bless, are
scattered at the feet of
men like flowers."*

ENDOW

A COT! A BED!

It would be difficult to suggest a better or more appropriate memorial than a named bed or cot.

In this way, too, the memory of a relative or friend, and the generous act of the benefactor are brought into permanent association with the great work of healing.

A bed may be named by a donation or legacy of £1,000, and a cot by a donation or legacy of £500.

Sums obtained for this purpose are invested, and the income applied towards the maintenance of the bed or cot.

A tablet, appropriately worded, is affixed to the wall behind each named bed or cot.

*"We lose what on ourselves we spend,
We have as treasure without end
Whatever, Lord, to Thee we lend
Who givest all."*
